

## Workshop on Patient Safety

The Nursing Services Division of SCTIMST conducted one day work shop on 'Patient Safety' for nurses of SCTIMST on September 2018 from 8am to 4 pm at Auditorium-2. The work shop was inaugurated by Mrs Valsalakumari C, Nursing Officer.

The main Objective of the work shop was-

1. To update the knowledge about patient safety issues of nurses working in SCTIMST
2. To equip nurses to address patient safety concerns effectively.

Forty-eight nursing staff attended the work shop.
