

The World Social Work Day-2021

The Medical Social Work Division of SCTIMST observed World Social Work Day on 16th March 2021. The theme for this year is 'Ubuntu,' I Am Because We Are - the interconnectedness of all people, their environments and the need for strengthening global solidarity, resonates with the social work principles. The programme highlight was video message for the day by Director, Medical Superintendent, Heads of Departments and Scientific Officer, Medical Social Work division, displayed through SCTIMST intranet. Based on the theme, flash speech for patients and care givers and poster exhibitions were conducted at various areas of the hospital block. Display of role of social workers at doctor's desk in the form of pen holder with eco-friendly seed pen and wearing of social work badge was also organized. It was an opportunity to come together to recognize the value of work as a member of the interdisciplinary team and to strengthen our commitment to social justice and human rights in the health care delivery setting.

On 20th March 2021(Saturday) a meeting was organized in connection with the World Social Work Day. It was presided over by Director Dr. K. Jayakumar, enriched by felicitation speeches of Medical Superintendent Dr.Rupa Sreedhar, Associate Medical Superintendent Dr.Krishna Kumar K., and Administrative Medical Officer Dr.Rahul D.Nambiar. Prize distribution for the winners and participants of poster presentation was done by Dr.Ashalatha R., Professor, Department of Neurology. Ms.Rosamma Manuel, Scientific Officer (MSW) welcomed the gathering and Mr. Sisir Raj J, proposed vote of thanks. The meeting was concluded with musical entertainments by staff.

The day was observed with strict adherence of COVID-19 protocol.
